Past-Life Regression Therapy and Life Between Lives Intensive

“For, each soul goes on...” Edgar Cayce reading 410-2

This advanced training is designed for *CERTIFIED HYPNOTHERAPISTS*. The training includes extensive case histories; deepening exercises for reaching the superconscious state; susceptibility concepts; Cayce concepts regarding astral planes of existence; sequencing sessions based on the life cycle of the soul from death to gateway, orientation, soul groups, traffic zones, learning zones/schools, spirit guidance, life reviews, prebirth planning, and more. The course also offers experiential learning for each student (*as client and hypnotherapist*), a Life Between Lives video, and a Q&A period with experienced past-life regression hypnotherapists and trainers.

A Past-Life Regression and Life Between Lives session can help bring healing, clarity, and a deep sense of meaning and purpose to life.
